Background and Experience

Please briefly present the partner organisation.

ASBL founded in Brussels on 1 Feb 2020. The aim and objectives are :

- To create initiatives whose aim is to promote the development of the notion of "European" in the different cultures.

- The association proposes, among other things, to contribute to the creation of a European identity and culture in young people.

- the association "PROJECTS FOR EUROPE", with its own organizations, proposes as an entity to promote and valorize European artistic and cultural resources with a particular attention to young and emerging artists through the broadcasting, diffusion of news, studies and deepening in the field of secondary artistic heritage, abandoned or little considered by the institutions.

For the realization of the above-mentioned objects, the association may carry out the following types of activities, among others:

- Promote all initiatives of the European institutions dedicated to finance, assist and develop economic, social, political and cultural activity, on the European territory.

- Writing, managing and implementing European projects in support of European policies; particular attention is given to themes that promote social inclusion, integration, media literacy, youth, life long learning, permanent training, active European citizenship.

- To promote, organise meetings and cultural, artistic and recreational activities.

- Promoting cultural exchanges and mobility

- Promote international training activities, publish books, e-books connected to the itinerary activities.

- Promote international cultural exchanges and mobility for young people and adults within the framework of European programmes.

- Organize events, seminars, training, trainings, conferences

- To promote and manage initiatives and courses for the training, updating and qualification of personnel operating in the object's subjects.

- To promote agreements with scientific, cultural and educational institutions, both Italian and foreign, for the use of the goods in question, in order to facilitate the studies and activities of the Association, promoting meetings and conventions.

- To favour, even through subsidies, the development of institutions, associations, which operate for the realisation of objects similar to those of the association or as this would facilitate the fulfilment of the association's objects.

- Constitute or participate in the constitution, in an accessory or instrumental way, directly or indirectly, for the pursuit of institutional objects, of partnerships and/or capital, as well as to participate in companies of the same type;

- developing activities on green deal and eu activities in line with the new 7 years (2021-2027)

What are the priorities of the organisation 2020 as newçömer:

Newcomer in 2020, the priorities are

European Active Citizenship

What does it mean being a European citizen ? how can we act as European citizen ? Affirming active European citizenship means pursuing the objectives and sharing the values enshrined in the Treaties. An aware EU citizen can express its proper identity in a real more conscious way looking at EU beyond geographical borders.

Education

Promoting projects on education is one of the main priority of Projects for Europe. An education based on life long learning approach and work based learning activities addressed to adults and youth, through the support and promotion of soft skills looking at enhancing competences to the aim of supporting multicultural professional profiles able to express their professional identity all over and beyond Europe.

Entrepreneurship

Education in entrepreneurship looking also at failure as an opportunity of growth, learning how to connect abilities, risks, ideas, objectives to the aim of reaching profits and personal and professional self realization.

Media Literacy

Education on media literacy is essential to be in tune with digital agenda and the opportunity to communicate in a way more aware and responsible. Projects for Europe will promote projects and activities to be more educated in media literacy.

Social Inclusion

Social Inclusion is about the inclusion of the individual in a social network, it makes him feel welcomed, in a condition of fairness and equal opportunity. Social inclusion is one of the main policies supported

and promoted by the European Union through programs and policies aimed at promoting social, political and cultural integration. Projects for Europe pursues the same objectives.

Tourism

Tourism as a means to promote European cultural heritage through projects, campaigns, study, researches to the aim of supporting and promoting a sustainable tourism both cultural than environmental.

Vet activities

Connect youth with enterprises where they can have the opportunities of attending a work based learning activity.
